CALL FOR PAPERS VIETNAM - JAPAN SYMPOSIUM ON NATURAL DISASTERS

Ho Chi Minh City
University of Technology

Mien Tay
Construction University

November 27-30, 2018

CALL FOR PAPERS

VIETNAM - JAPAN

SYMPOSIUM ON NATURAL DISASTERS

ORGANIZED BY VIETNAM:

- Ho Chi Minh City University of Technology (HCMUT);
- Mien Tay Construction University (MTU);
- South Vietnam Geological Mapping Division (SVGMD);
- The Scientific Union for Geology, Environment and Geophysics (USGEG).

JAPAN:

- Kyoto University;
- Kanazawa University;
- Kansai University;
- Kobe University;
- Tottori University;
- Toyo University;
- University of Tsukuba;
- Port and Airport Research Institute;
- Kawasaki Geological Engineering Co., Ltd.

INTRODUCTION

Natural disasters have been occurring all over the world, causing serious damages to human lives and properties. For instance, until December 2017, natural disasters have caused over 60,000 billion VND in economic losses exclusive of damages on people in Vietnam. In order to understand more about natural disasters and to look for prevention solutions aiming to reduce human and material losses to the minimum, the Ho Chi Minh City University of Technology (HCMUT), Mien Tay Construction University (MTU), the South Vietnam Geological Mapping Division (SVGMD) and the Unions of Geology, Environment and Geophysics (USGEG) collaboration with Kanazawa University, Kansai University, Kyoto University, Kobe University, Tottori University, Toyo University, University of Tsukuba, Port and Airport Research Institute and Kawasaki Geological Engineering Co., Ltd organize Vietnam - Japan symposium on natural disasters with following topics: Earthquakes, Tsunami, Landslides, Land Subsidence, Riverbank Erosion, Geotechnical Solutions ect. and Mitigation.

ORGANIZATION COMMITTEE

Chairman: Dr. Nguyen Van Chieu, Vice Rector, MTU.

Co-chairman: Dr. Ta Quoc Dung, Dean of GEOPET, HCMUT.

MEMBERS

1. Prof. Nguyen Viet Ky - HCMUT
2. Dr. Vo Dai Nhat - HCMUT
3. Dr. Bui Trong Vinh - HCMUT
4. Dr. Tran Anh Tu - HCMUT
5. Dr. Do Van Linh - SVGMD
6. Dr. Nguyen Ngoc Thu - USGEG
7. Prof. Kiyono Junji - KYOTO Univ.
8. Dr. Le Bao Quoc - MTU
9. Dr. Vu Duy Thang - MTU
10. M.S. Nguyen Ngoc Long Giang - MTU
11. M.S. Dang Huu Loi - MTU
12. M.S. Nguyen Dat Phuong - MTU
13. M.S. Lam Ngoc Qui - MTU

SECRETARIAT

1. Dr. Nguyen Huynh Thong - HCMUT
2. M.S. Trinh Cong Luan - MTU

IMPORTANT DATES

- 30/4/2018: Deadline for submitting abstracts;
- 14/5/2018: Notification of accepted abstracts;
- 31/7/2018: Deadline for submitting full paper;
- 15/8/2018: Notification of reviewed papers
- 22/8/2018: Deadline for submitting corrected full papers
- 05/9/2018: Notification of accepted full papers;
- 15/10/2018: Registration;
- 27-30/11/2018: Symposium

VENUE:

• **Ho Chi Minh City University of Technology (HCMUT)**, 268 Ly Thuong Kiet St., Dist. 10, Ho Chi Minh City, Vietnam;

• **Mien Tay Construction University (MTU)**, 20B Pho Co Dieu St., Ward 3, Vinh Long City, Vinh Long Province, Vietnam.

CALL FOR PAPERS

Engineers, researchers, teachers and others are invited to submit papers dealing with one or more conference topics. The papers relate to natural disasters for well documented case histories or connects to design experience are encouraged. The contributions can be in form of papers or PPT presentations, and written in English. Abstracts and full papers must to be sent to email address: nckh-htqt@mtu.edu.vn. Valued papers will be published on the Vietnamese Journal Construction - Copyright Ministry of Construction.

SYMPOSIUM THEMES

Earthquakes; Tsunami; Landslides; Land subsidence; Riverbank erosion; Geotechnical solutions, etc. and Mitigation

OFFICIAL LANGUAGE

The symposium official language will be English.

TECHNICAL TOUR

A technical tour in Mekong River Delta where has a lot of the Geological Fault in Vinh Long Province will be arranged on 30th November 2018, the day after symposium in Mien Tay Construction University.
